Skylark Building, 7th floor, No.60, Nehru Place,

New Delhi-110019 & 2 others …Respondents

ORDER:

Heard the learned counsel for the petitioner and the learned Standing Counsel appearing on behalf of the respondents.

Several contentions have been raised in this Writ Petition. Admittedly, appeal is pending before the first respondent. Therefore, all the contentions can be raised before the first respondent, who is

competent authority to decide the matter. Since the appeal is pending, it is not necessary to admit the Writ Petition.

The learned counsel for the petitioner contended that during the relevant period of dispute in question, the petitioner made certain deposits and therefore, the same may be given credit and the 50% of the amount may be worked out thereafter. That aspect has to be considered by the third respondent.

Without going into merits of the case, the Writ Petition is disposed of with a direction to the first respondent to dispose of the appeal in accordance with law. The petitioner herein shall make an application giving the dates on which it has deposited the amounts and for which period, within a period of one week from today and thereafter the third respondent shall determine the balance of amount, if any, to be paid by the petitioner towards 50% of the amount as directed by the first respondent and thereafter, appropriate orders have to be passed by the third respondent on or before 07.09.2005.
